

Errata for Novel Knits

Despite our best efforts to eliminate errors before publication the following have come to light since. These errata apply to books from the first print run. If you bought the ebook from my website or Ravelry then you should have received updated versions of the book with these errors corrected.

Contents Page:

The patterns in Part One have been printed in the wrong order, therefore the given page numbering for the last four patterns in part one is incorrect, and should read as follows:

Northanger - gloves, pages 20 - 25

Pemberley - pullover, pages 26 - 35

Kellynch - blanket, pages 36 - 41

Hartfield:

In the written instructions for the garter stitch border Rows 1, 3 and 21 should end **p5** instead of k5.

Mansfield:

The yardage given should be 600m/**660** yards, not 600m/220 yards
